Success Defeats Fernrock in the Troy Selling Stakes and Is Heavily Bid Up-Old Reybourn Takes a Race-Conning Tower Fails.

Saratoga, N. Y., August 10.—The Quincy Stable's Success showed himself to be a good mud runner today, when he defeated August Belmont's game and speedy Fernrock in the Troy Selling Stakes for two-year-olds, in which a field of nine faced the barrier. The winner was outpaced in the early running by both Startling and Fernrock, which had pushed to the final strides over Fernrock, which had passed Startling on the stretch turn. The winner was the target of a runny after his victory, when Frank J. Nolan, owner of the Beverwyck Stable, advanced him from his entered price of \$1,000 to \$2,500. His connections protected him with the usual \$5 advance bid.

The Troy Stakes was first run in 1901 and its history to the present time briefly summarized, is as follows:

Rain, which fell heavily again last night and this forencon, kept the track from improving and it was perhaps the worst going of the meeting. Intermittent showers, that fell throughout the day, kept the attendance down to smaller figures than usual. The mud was also responsible for a large number of scratches from several of the races. Two of them, the third and the fifth, were three-horse affairs.

The mud was also responsible for a large number of scratches from several of the races. Two of them, the third and the fifth, were three-horse affairs.

Labore was looked upon as a certainty to defeat both Lindenthal and Borgo, the only other starters in the third race, but he wound up in last place. Lifley tried hard to pass Lindenthal while going down the backstretch, but the old horse was not equal to the occasion. The Schorr racer always held him safe and in the stretch he quit badly, his ailing leg doubtless giving him trouble.

With practically ail of the likely contention removed in the fifth race by scratches, Conning Tower seemed to be in a soft spot and ruled an odds-on favorite. But his attempt to make it four straight victories at this meeting was blocked by Reybourn. which beat him home with great case at a liberal price. Conning Tower showed his usual turn of carly speed and threatened to make another runaway affair of the race, but Garner kept Reybourn going, got through on the inside on the far turn and drew away into a long lead. His performance was a surprise, as his previous form here had been poor. The stable of W. T. Anderson, comprising nine horses, arrived szfely today from Hamilton in charge of trainer Fred Kraft, who reported that they all shipped well. J. W. Dayton brought along the three-year-old Slumberer.

John Powers has taken over the racer Harry Shaw to train for O. W. A. Perry, it being the third different trainer the horse has had within the past month. Powers will doubtless secure some additional horses to train in the near future.

The third runup of the day occurred when L. A. Cassidy, acting for J. L. Holland, boosted Grumpy, winner of the closing race, to \$1,200, an advance of \$700 over his entered price. The plater was retained by his owner with the usual \$5 advance. James Murphy, who owned and raced Buck Massie, was an arrival from New York and will remain for the rest of the season.

Former Governor Glynn of New York was a visitor today and expressed himself as being we

#### THIRTY LEADING AMERICAN MONEY-WINNING HORSES OF 1915

Several changes have occurred in the positions of the thirty leading horses in the matter of money won. Borrow's victory in the Dominion Handicap at Fort Erie served to place him at the head of the list. This unsexed son of Hamburg and Forget is in capital form this year and is making a big addition to his total of money won in England and this country. He has now taken something over \$22,000 since his return home and is by no means done. Royal II, and Regret stand as they did when this list was last published, but from reports Regret is now ready for action and may be expected to expand her account greatly before the Saratoga meeting ends. At present the standing of the thirty best money winners of the year is:

Harry Pederson, who was in charge of the death ship; Joseph Erickson, the engineer of the Eastland. A London dispatch of yesterday says: An attack by German airships, which flew over the English coast last night, was announced today by the official press bureau. The statement says one of the airships was damaged by British aeroplanes and was towed into Ostend. The text of the statement follows: "A squadron of hostile airships visited the cast coast last night and this morning, between the hours of 8:30 p. m. and 12:30 a. m. Some fires were caused by the dropping of incendiary bombs, but these were quickly extinguished and only immaterial damage was done. The following casualties have been reported: Killed, one man, eight women and four children. One Zeppelin was seriously damaged by the gunfire of the land defenses and was reported this morning being towed into Ostend. It has since been subjected to continual attacks by aircraft from Dunkirk and has been under heavy fire, and it is now reported that after having its back broken and the rear compartments damaged, it was completely destroyed by an explosion. The night was extremely dark and was accompanied by thick fog in places which rendered night flying by aeroplanes very difficult. It is reported that Flight Sub-Lieut, R. Lord, who was one of the pilots sent up to engage the enemy, was killed on landing in the dark."

Sir John French, commander-in-chief of the British forces in France, reports that the lost trenches at Hooge, east of Ypres, in Belgium, have been retaken by the British troops and that they have advanced on a front of 1.200 fards. The statement of Field Marshal French says: Since my communication of August 1 the artillery on both sides has been active north and east of Ypres. In these exchanges the advantage has been with us. After a successful artillery bombardment, in which the French on our left co-operated effectively, we attacked the trenches at Hooge, captured by the enemy on July 30. These were all retaken, and following up this success we made further progress north and west of Hooge, extending the front of the trenches captured to 1.200 yards. During this fighting our artillery shelled a German troop train at Langemarck (five miles northeast of Ypres), derailing and setting fire to five trucks. The captures reported amounted to three officers and 124 men of other ranks and two machine guns.

The Russian position throughwhat they assert is Russia's improved situation in the Riga district. The Russian position throughout the Baltic provinces is described by the newspapers as firm. The Russians, says the Morning Post's Petrograd correspondent, are forcing a vigorous aggressive, and the Germans have been swept clear from the Riga region. In a dispatch dealing in a similar manner with the Riga sector the Times' Petrograd correspondent says: The Riga position has been relived by Russian successes south of the town and the whole region for twenty-five miles from Riga has been cleared of the enemy.

From Innsbruck, Austria, a dispatch says: In the recent fighting along the section of the eastern front running from the Pissa river to 0stroy, north-cast of Warsaw, the Germans lost 65,000 men in killed or wounded, but succeeded in capturing the principal fortified positions of the Russians. The engagements in the vicinity of Novogeorgievsk have been continued for five days, and the Germans have occupied the northern portion of the defenses of the surrounded fortress. The Russian garrison depends mainly upon bayonet charges, as artillery ammunition is lacking. North of the Lublin-Chelm railroad the battle continues to the advantage of the Austrians and Germans. In the region of Nova Alexandria, on the Vistula, south of Ivangorod, the Russians are offering fierce resistance, inflicting heavy losses on their opponents.

## THIS YEAR'S ST. LEGER SUBSTITUTE.

There will be no New St. Leger this year in the same sense as there were a New Derby and New Oaks, but it is only in the matter of nomenclature that there is to be a difference, Obviously the September Stakes, a sweepstakes of fifty sovereigns, with 1,060 sovereigns added, advertised to be run on the second day of the Fifth Extra Meeting, commencing on September 14, is designed to take the place of the last of the classic events of the season, as the race is to be run over the last mile and three-quarters of the Cesarewitch Course. Why it has been found undesirable or impossible to give the title of "New St. Leger" to this race I know not, but one cannot help recalling the fact that the Doncaster authorities announced not long ago that there would be no St. Leger run anywhere else than on the famous Town Moor. At

It know not, but one cannot help recalling the fact that the Doncaster authorities announced not long ago that there would be no St. Leger run anywhere else than on the famous Town Moor. At the time this statement was issued it was regarded simply as an expression of sentimental opinion, but whatever may be the reason for describing the substituted event as the September Stakes instead of New St. Leger, the decision would appear to be an unfortunate one from the point of view of the owners of eligible three-year-olds. Apart from the St. Leger at Doncaster there are a Liverpool St. Leger and a Newmarket St. Leger run for during the ordinary season, and if it be deemed desirable to allow the latter event to retain its title, there appears to be no sufficient reason why there should not be a New St. Leger, just as there were a New Derby and New Oaks. At any rate, owners of high-class three-year-olds are not at all likely to be impressed with the prospect of winning a race known simply as the September Stakes. When the rearranged Derby and Oaks were advertised it was found that they were restricted to colts and fillies which had been entered for the original events at Epsom, but thire is no such condition in the case of the September Stakes, and one may well be permitted to enquire "Why?" Only ten entries are stipulated for, I notice, and these, there can be little doubt, will be forthcoming, in spite of whatever dissatisfaction may be aroused by the nomenclature adopted.

While on the subject of classic entries I may as well take note of the fact that the Keepen Derby well telepare.

TRACK DRIES OUT RAPIDLY AND BRINGS ABOUT SOME GOOD RACING.

Kewessa Takes the Measure of Sir Edgar and Pan Zareta-Col. Gutelius and Peep Sight Figure in a Close Finish,

Fort Erie, Ont., August 10.—William L. Oliver's good sprinter, Kewessa, after many disappointments curing the past few months, made good this afternoon when he beat a band of fast horses in the three-quarters handicap, that served as the feature race of the program offered by the Niagara Racing Association. Kewessa overcame a lead that Sir Edgar attained in the early running and drew away in the homestretch. The pace was fast from the start, the fractional time being 22\fomega, 47, 1:14\fomega\_c beind Kewessa were Sir Edgar, Pan Zareta, Back Bay, Robert Bradley and Scaramouch, a horse that James Rowe recently shipped to Albert Simons from Saratoga.

Rome Respess furnished the winner of the race that called for maiden jockeys in Dignity, which made a runaway affair of it. B. Johnson had the mount. The best finish of the afternoon came with the running of the second race, in which Col. Gutelius came from behind to beat Peep Sight by a nose in the closing stride. It was a close thing between the two at the end. Col. Gutelius is by Mint, a horse that James R. Keene raced.

WOODBINE'S ATTRACTIVE FALL OFFERING.

For the autumn meeting of the Ontario Jockey Club at the Woodbine track, Toronto, September 18-25, with which the Cauadian racing season of 1915 will be brought to a close, W. P. Fraser announces a program that is quite in keeping with the glorious traditions of the organization of which he is the capable and efficient racing secretary. The Toronto Autumn Cup. 2,000 added; the Ontario Jockey Club Handicap, \$2,000 added; the Ontario Jockey Club Handicap, \$2,000 added; the Dominion Handicap, \$1,500 added, and the Durham Cup, \$1,500 added, are events for the older division of horses that are to have their usual place on the program. The two-year-olds are provided for in the Earl Grey Stakes, \$1,500 added, the steeplechasers will be taken care of in the Hendrie Steeplechase, \$1,500 added, and in addition, the Stanley Produce Stakes, \$2,500 added, so the steeplechase of in the other stakes for the meeting will have their closing on August 18. In addition, the program will contain a liberal sprinkling of valuable overnight handicaps. There will be the Seagram Cup, \$1,000 added, and the Rothschild Cup, \$800 added, besides several other handicaps of \$700 and \$800 that will have-their closing while the meeting is on. The lowest value of any overnight purse will be \$600. A steeplechase will be carded for each of the seven days of the meeting. Altogether the offering is one that should prove irresistible to owners of racing stables, be they large or small, and will doubtless have the effect of keeping on the Canadian circuit practically all of the stables now racing there. It is a program that should truly bring the Canadian racing season to a close in a blaze of glory.

## CHANGE DATES OF MAISONNEUVE MEETING.

Montreal, Que., August 10.—The scheduled opening of the midsummer meeting of the Maisonneuve Driving Club, Ltd., has been changed again. The meeting will begin August 21 and last seven days, which will give the new organization two Saturdays. The latest announcement means that the new track will conflict one day with the Hillcrest meeting at Toronto.

The majority of the turfmen who raced at the inaugural meeting and who have since been campainging at Toronto, have assured General Manager William M. Murray that they will be on hand for the
second meeting and have requested stabling reservations. This number will be further augmented by
the King Edward Park contingency.

The officials for the second meeting are: Ed
Cole, presiding judge; Martin Nathanson, associate
judge and racing secretary; William R. Booker, Jr.,
clerk of the course; William M. Murray, starter;
Harry White, paddock and patrol judge; Matt Swift,
timer, Arthur N. Elrod, stationer; William M. Murray, general manager.

Many improvements have been made since the close of the inaugural meeting, and others are under course of construction, for it is the plan of the management to make it one of the finest half-mile racing plants in the Dominion.

#### CURRENT NOTES OF THE TURF.

Jockey G. Corey will now be seen in the saddle on

T. J. O'Brien, who owns Sam Jackson and Cy Merrick, is a New York business man.

Jockey Charles Borel has severed his connection with the stable of James Butler. He will ride as a free lance hereafter.

a tree lance nereafter.

Samuel Nesbitt of Montreal has purchased the two-year-old bay filly Dapheen Dawson, by Dorante—Intermezzo. Mr. Nesbitt owns the sire of the filly and probably will not race her, but reserve her for the stud.

Not in a score of years has Saratoga entertained so many persons of prominence as have flocked there for the current race meeting. The majority have taken cottages or hotel suites for the entire month, with the result that four solid weeks of festivities are expected. Regret was given a work-out of a mile and an eighth in 2:01 over the Oklahoma track at Saratoga Saturday. Her appearance in the Alabama Stakes, for three-year-old fillies, to be run on Thursday next, will be her first since she won the Kentucky Derby at Louisville.

The Kentucky Derby winner Regret, which is in splendid condition, did not start in the Travers Stakes at Saratoga Saturday because of the heavy condition of the track. The two-year-old Dominant, which, like Regret, is in the stable of L. S. Thompson, was withheld from the Sanford Memorial Stakes for the same reason.

Joseph E. Widener and his nephew, George D. Widener, of Philadephia, visited Saratoga Saturday to see Compliment run and jump. The younger Mr. Widener, who breeds his own horses at Silverbrook Farm in New Jersey, owns a smart two-year-old in

Trumpator, a home-bred son of Garry Herrmani sire of Alfred Noble and Sam Jackson.

J. Temple Gwathmey and Edward M. Weld, the owner of Weldship, were visitors from New York at Saratoga Saturday to see Weldship win the North American Steeplechase. They own adjoining estates in Virginia, and are planning to set up a stud farm with the special object of breeding steeplechasers. Gwyn Tompkins is their neighbor and trains horses for both, the trio being great cronies.

Crawford Ross, honorary secretary of the Con-

for both, the trio being great cronies.

Crawford Ross, honorary secretary of the Connaught Park Jockey Club, was a visitor in Montreal a day or so ago in the interests of the meeting to be held at Ottawa commencing August 24. It is the intention of the Connaught Park Jockey Club to have a special train run to and from Montreal each day. It has been suggested that the train leave Montreal at 10:30 or 11 o'clock and return immediately after the last race. Mr. Ross stated that the outlook for the meeting was of the brightest. The applications for stable accommodations are already commencing to arrive and there will be no scarcity of racing material from which to select good fields.

Sam Jackson's ascent in the scale of equine fame

will be no scarcing of racing material from which to select good fields.

Sam Jackson's ascent in the scale of equine fame serves to accent the fact that his dam, Ravello II., is a really remarkable broodmare. To the St. Simon horse, Collar, she foaled the fleet and staying colt Frank Gill; mated with Garry Herrmann she produced Sam Jackson, and then as the result of an alliance with Broomstick sent into the world of racing the Two Thousand Guineas winner Sweeper II. Rare is the broodmare which foals three high-class racers, as she has done. She is a daughter of the Epsom Derby winner Sir Hugo and is now in France, tied up there by the war along with other broodmares belonging to H. B. Duryea. Captain Sam Brown imported her to this country.

Negotiations for the meeting of Roamer and Sam Jackson in a special race progressed a step further when Andrew Miller, owner of Roamer, and Jack McGinnis, trainer of Sam Jackson, met last Saturday night at Saratoga and agreed to bet their own money on the race between the two great handicap performers. It was agreed to race at Saratoga or at some other track before the close of the senson, the horses to carry 123 pounds each over a route of one nile and an eighth. The sweepstakes will be for \$5.000 a side, and in all probability the association staging the race will add a substantial amount. It may be that the two will not be brought together until the Hayre de Grace meeting in September, but every effort will be exerted to have the race take place sooner.

#### EXCUSE FOR GEORGE SMITH'S DEFEAT.

Saratoga, N. Y., August 10.—George Smith, the crack two-year-old owned by Edward McBride and which met his first defeat in the Sanford Memorial Stakes Saturday, is not likely to fill any of his other engagements here. Thomas J. Shannon, the trainer of George Smith, says that he came out of the race sore. The colt did not run his race, and Shannon explained why he did not. When working on the Oklahoma track on Thursday last the colt stepped in a hole and wrenched his shoulder. There was some talk of not starting him in the Sanford Memorial, but bot alcohol applications relieved the shoulder, and it was decided to take a chance. In making a quick beginning and trying for a good position at the start George Smith wrenched the shoulder again, and he was in such bad condition yesterday that Shannon has almost given up hope of getting him to the races again this month. George Smith has engagements in all the big two-year-old stakes here, and his owner was looking forward to his meeting Bulse again and rubbing out the defeat of Saturday.
